Bombay Suburban Electric Supply (BSES) Reconnects with Impact: Mental Health Matters in Schools!

BSES visited one of the schools where United Way of Delhi implements the School Mental Health Initiative (SMHI).

This initiative equips students with vital social-emotional skills, enabling them to understand and manage their emotions from a young age. During the visit, students actively participated in group sessions that enhances empathy, self-awareness, and communication.

BSES's support continues to strengthen this journey of mental and emotional wellness in schools. Together, we are shaping confident, emotionally intelligent future leaders.

UWD Celebrates Women's Day: Empowered Women, Empowered World!

At United Way of Delhi, Women's Day wasn't just a celebration, it was a tribute to the powerhouses behind our progress. Our dedicated women team members lead change with compassion, grit, and leadership.

It was also a time to reaffirm our belief that empowered women build empowered communities. Through our work we're building spaces where women rise and thrive. Here's to every woman leading change at UWD and beyond!

Carrier & Don Bosco and United Way of Delhi: Skilling for a Better Tomorrow!

Carrier Air Conditioning & Refrigeration Limited, Don Bosco Technical Society, and United Way of Delhi have come together to launch a Centre of Excellence for Professional Skill Development in Delhi.

This collaborative initiative is designed to bridge the critical gap between education and industry needs. The state-of-the-art training center offers structured learning in HVAC systems and technical trades, making youth job-ready.

Blue Yonder Joins Hands with UWD: Pedaling Towards Empowered Futures!

Blue Yonder partnered with United Way of Delhi for an employee engagement initiative that left a lasting impact. Over 50 employees came together with young girls from government schools for a hands-on bicycle assembly activity.

What seemed like a simple team exercise turned into a powerful moment of inclusion and empowerment. The girls had no idea the bicycles they were building would be gifted to them, it was a beautiful surprise that brought pure joy to their faces.

WELead at Aya Nagar: Strengthening Women, Strengthening Society! Genpact X United Way of Delhi

At Aya Nagar, Delhi, the United Way of Delhi team celebrated the essence of empowerment through our flagship initiative, WELead. This initiative stands for women's leadership and livelihood, equipping them with resources to take charge of their futures.

From capacity-building workshops to livelihood support and asset distribution, the women of Aya Nagar were provided tools that fuel both confidence and financial independence. The celebration was not only about accomplishments but also a call to action, to support, invest, and stand behind every woman. Let's build a world where every woman can lead with dignity. Here's to Aya Nagar and every woman writing her own success story!

SA Group x UWD NEEV Project: Illuminating Learning Spaces with Purpose!

Under the NEEV project of United Way of Delhi, supported by SA Group, vibrant volunteering unfolded across MCD Schools in Mayur Vihar and Shakarpur.

The inauguration events were more than symbolic, they reflected a shared vision for quality education. Employees from SA Group immersed themselves in activities ranging from classroom decoration to workbook distribution. Their presence brought energy, creativity, and encouragement to the students.

Holi Celebrations at United Way of Delhi

United Way of Delhi celebrated Holi with unity and vibrant joy. The event brought together colors, culture, and camaraderie. Team bonding through celebrations strengthened our workplace harmony. Holi reflected the spirit of inclusion and shared purpose. Here's to spreading happiness and color in all we do!

Carrier and United Way of Delhi Celebrating Women's Day

March 8, 2025 To mark International Women's Day, MCG hosted a special event dedicated to honouring women sanitation workers, with participation from 2,980 individuals representing various organizations and community groups. The event featured inspiring cultural performances focused on social reform themes such as women's empowerment and anti-dowry awareness.

Later in the month, UFA participated in Harit Sangam, an event organized to recognize contributions to environmental conservation and sustainability. The gathering brought together 60 environmental leaders, experts, and stakeholders, including key dignitaries like Dr. Ravindra Kumar Sinha (Dolphin Man of India), MCG Commissioner Mr. Ashok Kumar Garg, and RC Mishra (Ex-DGP).

Plog Run at Gurugram College Campus Promotes Youth-led Sustainability

In March 2025, UFA hosted a successful Plog Run at a college campus in Gurugram, drawing over 120 enthusiastic students and teachers. Together, they collected 800 kg of dry waste, which was responsibly upcycled through the Municipal Corporation of Gurugram (MCG).

Volunteers from United Way of Delhi and MCG supported the initiative, highlighting strong inter-organizational collaboration. Alongside the run, UFA led sessions on waste segregation, encouraging participants to adopt source segregation at schools, homes, and in their communities.

Throughout the month, UFA also conducted engaging awareness sessions on air pollution, alternative energy, and waste management, sparking positive dialogue and action among students.

IIT Delhi & RMIT Australia Global hosted a 2-day symposium on Health Co-Design for Community Well-Being

IIT Delhi and RMIT Australia, a globally recognized university, jointly organized a two-day symposium titled “Health Co-Design for Community Well-Being”. The event served as a dynamic platform for learning, collaboration, and the co-creation of innovative strategies to improve community health.

Bringing together community health experts, traditional health practitioners, and scholars, the symposium featured insightful discussions on integrating traditional knowledge with modern health practices. United Way of Delhi was invited to showcase and share its ongoing work and initiatives in community health and well-being. The depth and breadth of these discussions have had a profound impact on all of us.

Cargill Colors Classrooms with love: Painting Smiles, Building Joyful Learning Spaces!

In an employee volunteering initiative, Cargill joined hands with United Way of Delhi to transform an MCD school into a vibrant and engaging learning environment. With paintbrushes in hand and purpose in heart, Cargill employees brought dull walls to life using BALA (Building as Learning Aid) art, adding color, creativity, and educational value to the classrooms. The atmosphere was full of energy!

Each corner now tells a story, every wall inspires curiosity, and the once plain corridors echo with learning and laughter. This activity did more than beautify a school, it made learning more joyful, inclusive, and accessible.

Hitachi and United Way of Delhi celebrated Women's Day in Sohna

United Way of Delhi with support of Hitachi, celebrated Women's Day with great enthusiasm in Sohna, under the Mental Well-being initiative - SVASTI. The event went beyond just a celebration, it was a day of empowerment, recognition, and positive change. Women from the community came together for a day filled with meaningful interactions, where their efforts and journeys were acknowledged.

As part of the initiative, kits were also distributed, reinforcing our collective commitment to their mental and emotional wellbeing. The event marked a step forward in creating safe, supportive spaces that uplift and empower women to thrive.
