

UNITED WAY OF DELHI MONTHLY INSIGHT NEWSLETTER – FEBRUARY, 2025

United Way Mumbai, Total Energies, and United Way of Delhi: Empowering Educators for safer roads for all

India faces one of the highest road accident death tolls globally. To address this, United Way of Delhi, in collaboration with United Way Mumbai and Total Energies, conducted a Teacher Training Workshop under its Road Safety Program.

Educators from 35 schools in Delhi NCR attended the session to learn essential road safety skills and how to instill them in students. This initiative reinforced the collective responsibility of schools and communities in creating safer roads for all.

Oil and Natural Gas Corporation Strengthening Early Childhood Education: Shaping a Brighter Future for Young Learners

Oil and Natural Gas Corporation (ONGC) has partnered with United Way of Delhi (UWD) under the NEEV program to enhance Early Childhood Care and Education (ECCE) for children aged 3 to 6 at Anganwadis in Haldwani, Nainital District, Uttarakhand.

This initiative aims to enhance school readiness and cultivate a positive attitude towards learning.

AMD and UWD Inspiring Young Innovators: Nurturing Innovation and Leadership Through the District STEM Fair

The 2025 district-level STEM Fair brought together 100+ students from 20+ schools to showcase 50+ working models demonstrating scientific curiosity and problem-solving skills. With support from Advanced Micro Devices (AMD) & the Haryana Education Department, the fair featured competitions, expert interactions, and volunteer-led activities. This initiative nurtures innovation and leadership among future STEM pioneers.

Hitachi Prioritizing Women's Well-being through United Way of Delhi's SVASTI Project

Mental health is crucial for overall well-being! Under Project SVASTI, United Way of Delhi is:

- ✓ Raising mental health awareness in rural areas
- ✓ Creating safe spaces for dialogue
- ✓ Training ASHA workers, ANMs & Anganwadi workers as community mental health advocates

Watch the impact video to see how we're empowering women and communities through mental well-being initiatives!

OIL AND NATURAL GAS CORPORATION AND UWD'S NEEV HANDOVER EVENT: PAVING THE WAY FOR EARLY LEARNING EXCELLENCE

A milestone moment! The NEEV Program Handover Event in Haldwani, Uttarakhand, supported by ONGC, saw participation from local leaders, government officials, and Anganwadi educators. The event celebrated our collective commitment to early childhood education and creating child-friendly learning spaces. With active involvement from parents and teachers, we continue to strengthen early learning systems for a brighter future!

CELEBRATING NATIONAL SCIENCE DAY 2025!

United Way of Delhi celebrated National Science Day by organizing an exposure visit under its STEM on Wheels initiative. This initiative brings science & technology closer to children, fostering innovation and curiosity. The event honored the legacy of Sir C.V. Raman and highlighted the power of scientific thinking in shaping the future!

NEEV'S CAPACITY BUILDING WORKSHOP WITH SUPPORT OF BAJAJ: BUILDING STRONGER FOUNDATIONS

50 Anganwadi workers participated in a capacity-building workshop under the NEEV Program. Key discussions included:

- ✓ Importance of early childhood development & learning environments
- ✓ Hands-on experiential pedagogy for young learners
- ✓ Literacy & numeracy skill-building activities

Led by Mr. Sanjay Mane, Sub-Divisional Additional Commissioner (WCD), the session reinforced United Way Delhi's efforts in upgrading Anganwadi centers and ensuring a strong educational foundation for children.

UNITED FOR AIR GREEN INITIATIVES: MAKING AN IMPACT!

- Plantation Drive: 250+ trees & herbs planted across schools & communities, engaging 100+ participants
- Air Pollution Awareness: Sessions in schools & RWAs, reaching 160+ students & residents
- Plog Run Event: 80+ volunteers collected 800 kg of waste for upcycling with MCG
- Through plantation drives, awareness programs, and sustainable actions, UFA is driving environmental responsibility and inspiring communities to combat pollution for a cleaner future!

INAUGURATION OF THE SOLAR PANEL TO POWER A BRIGHTER FUTURE!

The inauguration of the solar panel with support of OPTUM marks a significant step towards sustainability in schools. This initiative will provide clean energy, creating a better learning environment for children. Together, we are building a brighter and greener future!

HITACHI FLAGGING OFF THE E-MOBILE VAN CAMPAIGN FOR MENTAL WELL-BEING!

United Way of Delhi, with support from Hitachi India, launched the E-Mobile VAN Campaign in Sohna, Gurugram, to promote mental well-being. With the support of the Senior Medical Officer, village Sarpanch, and community members, we are encouraging open conversations on mental health.

GOVERNING BOARD MEETING: CHARTING THE WAY FORWARD

United Way of Delhi's Governing Board Meeting focused on strategic optimization while ensuring continued impact. Discussions included operational efficiency, financial sustainability, and future initiatives. The leadership reaffirmed its commitment to strengthening community programs and expanding social impact efforts for a sustainable future.
