All employees are expected to exhibit conduct that reflects inclusion during work, at work functions on or off the work site, and at all other company-sponsored and participative events. We are committed to creating more equitable communities – by reaching out to remote and underserved areas, and marginalized populations through our different interventions. United Way of Delhi tries its best to lead the way forward and help the marginalized and vulnerable sections of our society by ensuring access to conditions and opportunities that make their lives better and free from discrimination of any kind.
